TEACHOUT FOR DISTANCE EDUCATION STUDENTS OF ARKANSAS INSTITUTE OF REAL ESTATE. – Mary Harris moved, the motion was seconded, and the Board approved in accordance with Arkansas Code Annotated § 6-51-607 a teach out for the distance education students of Arkansas Institute of Real Estate (AIRE) in Searcy, Arkansas. Tina Daniel, the owner and director, passed away suddenly and very unexpectedly on Sunday, March 3, 2013. The school was offering a pre-license classroom course at the time of Tina’s death. Wayne Camp contacted Walt Daniel and offered to teach any classes he could for him with all money going to Walt. Mr. Daniel called the week of March 11 to let us know he was closing all four (4) of the locations they operated. He had already refunded the money to the students that had registered for future classes as well as those in class at the time of her death. Wayne Camp desires to honor his commitment to Walt Daniel and complete the training for the enrolled distance education students at no cost to AIRE or to the SBPCE Student Protection Fund. The request was to offer training in the field of business programs. The Board determined that the school did not provide the documentation to prove it is exempt under Arkansas Code Annotated § 6-51-603 “(6) A training program offered or sponsored by an employer for training and preparation of its own employees and for which no tuition fee is charged the employee;” under specific situations the employee will be required to pay for the program.

OTHER BUSINESS – Brenda Germann told the Board that she had recently attended the National Association of State Administrators and Supervisors of Private Career Schools (NASASPS). She shared that there are many changes taking place and being discussed in the world of education. NASASPS will hold their national meeting in Little Rock in 2014.

Ms. Germann will be making a presentation at the June Board Meeting of the Massage Therapy Board. They are interested in the SBPCE licensure process and the consumer protection provided to students.

Ms. Germann explained that she and Board Chair, Chris Comer, had been discussing plans for the Board. The Board is being asked to hold a two day meeting in Little Rock on June 24 and 25. The Board will be working on a multiyear plan and the regular monthly meeting.

Ms. Germann explained that after discussions with several people it was determined that this was not the time to attempt to move Cosmetology Education under SBPCE.
